

Eco-Lite™

Fire Glass

Don't take risks when
it comes to fire safety

For Safety

For Insulation

For Noise Reduction

For Peace of Mind

Compliance to EN1279 is not enough, fire glass units must be manufactured to Attestation Level 1. Get protected with N&C Fire Glass rated units and glass.

London - Fareham

N&C Glass are an accredited IGU company that are at the forefront of the UK Independent commercial fire glass industry supplying insulated and non insulated fire glass. We have invested in R&D to ensure that when it comes to fire safety, you and your property assets are protected.
